imec events 2025

WWW.IMECITF.COM

1. IMEC TECHNOLOGY FORUMS

Boost your brand with decision makers in semiconductors and deep tech

Are you aiming to make a significant impact among **top professionals in the tech industry**? Traditional marketing efforts may not be enough, as these professionals often spend little time on social media and rarely open direct emails.

However, many of them *do* attend the Imec Technology Forums (ITFs). These **global innovation roadshows** attract leading executives from the broad technological ecosystem, including policymakers, futurists, technology gurus, entrepreneurs, analysts, and investors.

They come to the ITFs to:

- Learn the **latest advancements** from imec, the world's leading semiconductor R&D hub.
- Catch **inspiring talks** from other opinion leaders in the tech industry.
- Connect with their peers during numerous **networking** moments.

Sponsorship benefits

Sponsoring an ITF guarantees your **visibility** with this valuable audience. Your logo will be featured on the registration website, e-mails, presentation slides, and room decorations.

Our **flexible sponsorship packages** also offer opportunities to have a **dedicated booth** on the conference floor, show your **corporate movie** during breaks, or have your representatives **attend the networking receptions or dinners**.

Browse this brochure for an overview of all sponsorship packages and complete the application form to **secure your spot among the ITF sponsors** in 2025.

If you're an **imec partner**, be sure to take advantage of the **significant discounts** available to you.

For more information, please contact our events team leader, Dominique De Brabanter, at events@imec.be.

2. ITF WORLD 2025

ITF World, held in Antwerp, Belgium on May 20 and 21, is imec's **flagship event**, attracting more than 2,000 attendees from around the globe. Imec's experts showcase the latest advancements in nano- and digital technology through enlightening presentations and a buzzing **demo floor**.

Key **opinion leaders** from the tech industry and policy makers also take to the stage to share their insights. Previous speakers include Jensen Huang (NVIDIA), Martin van den Brink (ASML), and Ursula von der Leyen (European Commission).

A highlight of each ITF World is the presentation of **imec's Lifetime of Innovation Award**, warmly accepted by industry legends such as Gordon Moore (Intel), Bill Gates (Microsoft), and Lisa Su (AMD).

ITF World 2025 will focus on **the next phase of digital transformation**, where continued transistor scaling combined with advanced optical and electrical interconnects will enable new leaps in performance needed to power the AI-enabled applications of the future.

Special attention will be given to **imec's new role as host of the NanoIC pilot line**, deployed by the European Chips Act to accelerate beyond-2nm chip innovation.

DEEP-TECH DIVE

Deep-tech Dive is a dedicated track within ITF World where **investors, established companies, and entrepreneurs** gather to take the pulse of the deep-tech venturing landscape.

ITF WORLD 2025 STANDARD SPONSORSHIP PACKAGES

A company is entitled to the discount sponsor prices if there is an ongoing R&D contract between the company and imec in the year 2025.

	PLATINUM SPONSOR 21,000 EURO imec partner discount price: 18,000 EURO	GOLD SPONSOR 15,000 EURO imec partner discount price: 13,000 EURO	SILVER SPONSOR 7,000 EURO imec partner discount price: 5,000 EURO

ITF WORLD 2025 CUSTOMIZABLE SPONSORSHIP PACKAGES

Powering connections: sponsor **charging units**

In today's hyper-connected world, access to reliable power is essential. Our event attendees will appreciate the convenience of easily charging their devices throughout the day.

We offer flexible sponsorship options based on the number of charging stations and the level of customization you desire. Charging stations can be customized with your logo, branding messages, or other elements. Our events team will handle all logistical and operational aspects.

Connect and recharge: sponsor **catering breaks**

Networking and collaboration thrive during moments of relaxation and refreshment. Our food and beverage breaks provide the perfect opportunity for attendees to connect, recharge, and engage with your brand. There are four coffee breaks, two lunch breaks, and a networking dinner that are available for sponsorship. We look forward to your ideas to co-brand our refreshment areas with your branding, integrating everything within our overall ITF aesthetic. Our events team will handle all logistical aspects.

Maximize your impact: host a dedicated **satellite event**

Enhance your visibility and engage with a targeted audience by hosting a satellite event alongside our main program. Contact us to explore the possibilities of a customized satellite event that aligns with your business goals.

3. REGIONAL AND TOPICAL ITFs

The success of ITF World gave rise to additional events focusing on specific topics or certain markets. Here's an overview for 2025.

ITF Korea (February 18, 2025 - Seoul, Korea)

The Korean tech industry can rely on a rich tradition of technological breakthroughs, intense collaboration, and knowledge sharing. This is exactly what ITF Korea, taking place the day before SEMICON Korea, is all about.

Target audience: 200 attendees from the Korean tech industry and the broader semiconductor ecosystem.

ITF Photonics USA (April 1, 2025 - San Francisco, USA)

ITF Photonics USA offers insights on rapidly evolving R&D in integrated silicon photonics, as well as its huge application potential.

Target audience: 250 attendees from a wide variety of application domains, such as medical device manufacturers, imaging device manufacturers, life science companies, semiconductor, photonics and system companies, tech startups and venture capitalists with an innovation focus.

ITF Semicon USA (October 6, 2025 - Phoenix, USA)

ITF Semicon USA focuses on semiconductor scaling and presents the latest advances & solutions to compute, store and connect massive amounts of data.

Target audience: 500 attendees from all corners of the global semiconductor ecosystem, such as innovation managers, technology gurus and leading members of academia.

ITF Japan (November 10, 2025 - Tokyo, Japan)

ITF Japan honors imec's longstanding tradition of R&D partnerships with many leading companies across the Japanese industry and reinforces imec's commitment to support Japan's semiconductor ambitions in the future.

Target audience: 500 attendees including industry experts, academia, business leaders, researchers, futurists, and technology gurus active in Japan and the wider region.

ITF Semicon Europa (November 18, 2025 - Munich, Germany)

ITF Semicon Europa is hosted as part of Semicon Europa, the largest European electronics platform connecting industry leaders across the entire design and manufacturing supply chain. In 2024, the event focused on how the EU Chips Act will benefit the entire value chain, offering insights on the four pilot lines and how they will jointly accelerate Europe's chip research, prototyping, testing, and manufacturing.

Target audience: 200 leading experts, innovators, and researchers representing the semiconductor ecosystem and ICT industry in Europe and beyond.

Please send your **company logo (eps format)** and **company boilerplate** together with this **application form** to: **dominique.debrabanter@imec.be**

By signing this application form you acknowledge to have read, understood and accept the terms and conditions of sponsorship attached hereto. Please return a duly signed and completed application form to **dominique.debrabanter@imec.be**

Date: _____ Company stamp: _____

Signature: _____

TERMS AND CONDITIONS:

1. These Terms constitute the sponsorship agreement ("Agreement") between imec and the Company ("Sponsor") that completes the application form (marked ad "Sponsorship Events 2025 application") and sends this form to IMEC. In exchange for the sponsorship fee, Sponsor is entitled to the benefits listed in this application form under the respective sponsorship packages.
2. Each sponsorship shall be assigned and approved by IMEC on a 'first come first serve' basis. IMEC reserves the right to reject a potential Sponsor for any reason.
3. The Agreement shall start the day after IMEC receives the duly signed and completed application form and it shall be terminated at the end of the sponsored event. If the Sponsor selects more than one event the Agreement will expire at the end of the last selected sponsored event.
4. Sponsor agrees to allow IMEC to use the Sponsor's name, trademark, logo, tag line or other materials for the purpose of the by sponsor selected event sponsor package or promotion of the event. The Sponsor represents and warrants that it owns or has the necessary rights to grant the right to IMEC to use these materials and that they not infringe upon the intellectual property rights of any third party. The Sponsor agrees to indemnify and hold IMEC and its officers, directors, agents and employees harmless from and against any and all claims, damages, liabilities, costs, and expenses arising from or in connection with any breach of this representation and warranty.
5. Sponsor shall be entitled to the following tag line on their marketing materials during the term of the Agreement: "Official Sponsor of "name of the event" -followed by year and place of the sponsored event>".
6. IMEC shall send an invoice with the sponsorship fee to Sponsor within a period of thirty (30) days as from the date IMEC receives the duly signed and completed application form. Sponsorship fees shall be paid in full within thirty (30) days after the receipt of the invoice. SPONSORSHIP FEES ARE NON-REFUNDABLE, unless stated otherwise in this Agreement. All indicated amounts are excl.VAT.
7. Company boilerplate and high-resolution logo must be provided by the Sponsor together with the signed application form. Other sponsor materials shall be received at the event location at least two (2) days before the start of the event. The Sponsor shall bear the costs and risks of the shipment. The Sponsor acknowledges that its failure to provide logo and sponsor material in the required formats in due time may result in IMEC's inability to comply with its obligations under this Agreement. The Sponsor therefore agrees to provide the Sponsor materials in a timely manner and to cooperate with IMEC in the event that any issue arises with respect to the materials.
8. All sponsor materials must be removed from the event location by the end of the event. The Sponsor shall bear the costs and risks of the shipment.
9. IMEC reserves the right to cancel the event by serving notice in writing to the Sponsor. In the event of such cancellation, Force Majeure events excluded, IMEC shall refund the received sponsorship fees.
10. IMEC shall not be liable for any damages or losses suffered by the Sponsor as a result of any breach of this Agreement by IMEC, except to the extent caused by the willful misconduct or gross negligence of IMEC. In no event shall the total liability of IMEC to the Sponsor under this Agreement exceed the amount of the sponsorship fee paid by the Sponsor. In no event shall either Party be liable to the other for any consequential, indirect or incidental damages arising out of the performance of the present Agreement.
11. These Terms and Conditions shall be governed by and construed in accordance with Belgian law and the sponsor irrevocably agrees that the courts of Leuven, Belgium shall have exclusive jurisdiction to settle and dispute which arise out of, under, or in connection with, these Terms and Conditions.
