

ITF

POWERED BY **umec**

A high-angle, wide shot of a large audience seated in a dark auditorium. The audience is facing a stage area illuminated with bright blue light. On the stage, there are several large, vertical, translucent structures that look like stylized letters or architectural elements. A single person is standing on the stage, looking towards the audience. The overall atmosphere is futuristic and high-tech.

ITF Sponsorship Opportunities

Connect. Inspire. Lead.

Join the global innovation events that gather the brightest minds in semiconductors and deep tech.

1. Imec Technology Forums

Boost your brand with decision makers in semiconductors and deep tech

Cut through the noise of today's fragmented media and meet your target audience in person, in an environment fueled by innovation.

The Imec Technology Forums (ITFs) are global innovation roadshows that attract **decision-makers in semiconductors and deep tech**.

With an ITF sponsorship package, **your brand takes center stage**, giving you direct access to industry leaders for meaningful engagement opportunities..

4 reasons to connect your brand to an ITF

Share the stage with tech experts, world-renowned innovators, and industry legends.

Present your technology to an audience seeking the next breakthroughs.

Build meaningful relationships during high-energy networking moments.

Benefit from multi-channel visibility: website, emails, presentations, and event branding.

Who attends the ITFs?

The ITFs attract **leading executives from the broad technological ecosystem**, including business and innovation managers, policymakers, academics, futurists, technology gurus, entrepreneurs, analysts, and investors.

Chip technology increasingly supports all aspects of our daily lives. The people you meet at ITFs therefore come from a **wide variety of industries**: semiconductors (from R&D to material/tool suppliers, IDMs, and foundries), automotive, healthcare, Industry 4.0, data- and telecom, consumer electronics, and more.

Finally, the ITFs allow you to reach a truly **international audience**. ITF World, the flagship event in Belgium, attracts visitors from across Europe, North America, Asia, and other regions. The regional ITF editions allow you to increase your visibility in specific geographical markets.

2. ITF World

ITF World, held in Antwerp, Belgium, is imec's flagship event where the industry's most influential voices gather and the future of nano- and digital technology is unveiled.

This was ITF World 2025

Over 2,000 attendees were treated to:

- The latest advancements in semiconductor technology and AI, through engaging **presentations** and a **buzzing demo floor**.
- A Deep-tech Dive session that sparked new **venturing** partnerships and investments.
- The presentation of imec's Innovation Award to Johny Srouji, Apple's senior vice president of Hardware Technologies.
- A speech by Henna Virkkunen, EVP of the European Commission.
- A **networking dinner** in the historical setting of Antwerp's bourse, the world's first purpose-built commodity exchange.

Past speakers of ITF World include:

Lisa Su
CEO, AMD

Christophe Fouquet
CEO, ASML

Carolina Aguilar
CEO, INBRAIN

Cristiano Amon
President & CEO, Qualcomm

Peter Wennink
Former CEO, ASML

Ann Kelleher
ECP & GM, Intel

Hichem M'Saad
CEO, ASM

Henna Virkkunen
EVP, European Commission

And many more...

Christophe Périllat - CEO, Valeo
Ilsup Jin - SVP, SK Hynix
Jochen Hanebeck - CEO, Infineon Technologies
Paul Stoffels - CEO, Galapagos
Scott DeBoer - EVP & CTO, Micron Technology
Tony Kawai - President & CEO, Tokyo Electron
Yuh-Jier Mii - EVP & Co-COO, TSMC

Clément Farabet - VP Research, Google DeepMind
Jean-Marc Chéry - President & CEO, STMicroelectronics
Martin Anstice - President & CEO, Lam Research
Rutger Wijburg - COO, Infineon
Tim Archer - President & CEO, Lam Research
Ursula von der Leyen - President, EU
...

David Lazovsky - CEO, Celestial AI
Jensen Huang - Founder & CEO, Nvidia
Pat Gelsinger - CEO, Intel
Sarah Chandler - Senior Director, Apple
Tom Caulfield - President & CEO, GlobalFoundries
Young Liu - CEO & Chairman, Foxconn

Put your mark on ITF World 2026

On 19 and 20 May 2026, Antwerp, Belgium, will once again be the capital of deep-tech innovation. Leading voices from across the semiconductor and AI landscape will explore the technologies and collaborations driving the next wave of intelligent systems.

MAXIMIZE IMPACT: HOST A SATTELITE EVENT

Engage a targeted audience with a custom event alongside ITF World.

Contact **Robin Valgaerts** at imecitf@imec.be to co-create a format that fits your goals.

“ITF World is a great venue because it connects people from all over the world. This is a great way to share our know-how. It’s a great place to get to know each other and team up to make this future a reality.”

Francesc Guim –
CEO Openchip

“The fact that everybody comes together to convene around core topics and the networking opportunities is an unparalleled experience.”

Gregg Bartlett –
CTO GlobalFoundries

“It’s actually where the convergence of technologies happens and where you can see great trends that are actually applicable to the field of use.”

Carolina Aguilar –
CEO & Co founder INBRAIN Neuroelectronics

3. Targeted ITF events

Want to reach a high-level audience in certain geographical markets or around specific topics? The global innovation roadshow that is ITF stops for these highly targeted events:

4. Application

Selected ITF(s) + sponsorship package(s):

Company:

Registered address:

Postal code:

City:

Country:

First name:

Last name :

Function:

Email:

VAT number:

Please send your **company logo** (vector format such as .ai or .eps) and **company boilerplate** together with **this application form** to **Robin Valgaerts** at imecitf@imec.be

By signing this application form you acknowledge to have read, understood and accept the terms and conditions of sponsorship attached hereto. Please return a duly signed and completed application form.

Date:

Company name:

Name signatory*:

Signature:

*This person is authorized to represent and sign on behalf of the company.

Terms and conditions:

1. These Terms and Conditions constitute the entire sponsorship agreement ("Agreement") between IMEC and the Company ("Sponsor").
2. Sponsor shall complete the application form (marked ad "Sponsorship Events 2026 application") and send this form to IMEC to apply for sponsorship. The Agreement shall start once IMEC has received the duly signed and completed application form and IMEC has approved it. The Agreement shall expire at the end of the sponsored event. If the Sponsor selects more than one event, the Agreement will expire at the end of the last sponsored event.
3. Each sponsorship shall be approved by IMEC on a 'first come first serve' basis. IMEC reserves the right to reject a potential Sponsor for any reason at any time.
4. In exchange for the listed sponsorship fee, Sponsor is entitled to the benefits listed in this application form under the respective sponsorship packages.
5. Sponsor agrees to allow IMEC to use the Sponsor's name, trademark, logo, tag line or other materials for the purpose of selected sponsor package or promotion of the event. The Sponsor represents and warrants that it owns or has the necessary rights that grant the right to IMEC to use these materials and that they do not infringe upon the intellectual property rights of any third party. The Sponsor agrees to indemnify and hold IMEC and its officers, directors, agents and employees harmless from and against any and all claims, damages, liabilities, costs, and expenses arising from or in connection with any breach of this representation and warranty.
6. Sponsor shall be entitled to mention its name in the marketing materials during the term of the Agreement as follows: "Official Sponsor of name of the event <followed by year and place of the sponsored event>".
7. Sponsorship fees shall be paid in full within thirty (30) days after the receipt of the invoice. Sponsorship fees are non-refundable, unless stated otherwise in this Agreement. All indicated amounts are excl. VAT.
8. Company boilerplate and high-resolution logo must be provided by the Sponsor together with the signed application form or otherwise agreed upon. The Sponsor acknowledges that its failure to provide logo and sponsor material in the required formats and in due time may result in IMEC's inability to comply with its obligations under this Agreement. The Sponsor therefore agrees to provide the Sponsor materials in a timely manner and to cooperate with IMEC in the event that any issues arise with respect to the materials.
9. The Sponsor shall bear the costs and risks of the use and shipment of its sponsor materials. The Sponsor must remove their materials from the event location by the end of the event.
10. IMEC reserves the right to cancel the event by serving notice to the Sponsor. In the event of such cancellation, force majeure events excluded, IMEC shall refund the received sponsorship fees.
11. IMEC shall not be liable for any damages or losses suffered by the Sponsor as a result of any breach of this Agreement by IMEC, except to the extent caused by the wilful misconduct or gross negligence of IMEC. In no event shall the total liability of IMEC to the Sponsor under this Agreement exceed the amount of the sponsorship fee paid by the Sponsor. In no event shall either party be liable to the other party for any consequential, indirect or punitive damages arising out of the performance of the present Agreement.
12. This Agreement shall be governed by and construed in accordance with Belgian law and the Sponsor agrees that the courts of Leuven, Belgium shall have exclusive jurisdiction to settle and dispute which arise out of, under or in connection with this Agreement.
